

NO MORE BULLSHIT

Clémence Fiéchu, 42, a radiant sophrologist and practitioner of laughter yoga, lands her dream job: Happiness Manager at Oméga, a giant logistics platform where packages and destinies flow day and night. But there's a catch: she's actually been hired to ease the backlash ahead of a layoff plan targeting 63 employees. The day she revives in her arms Félicien, a night watchman who wanted to end it all, her "savior syndrome" comes to the fore: from now on, she'll save them all, whether they want it or not.

A French-style « Ted Lasso » taking on the global logistics giant. A satirical comedy about the everyday violence of the workplace, driven by a Candide who refuses to give in to despair—and by the ten plagues of Egypt that strike one by one against the cathedral of concrete and steel.
