

BNP PARIBAS, IN THE MURKY WATERS OF EUROPE'S LARGEST BANK

It is the first political and historical investigative film to depict the spectacular ascent of the European banking giant, the very french BNP PARIBAS. Now a financial behemoth, more powerful than many States, BNP PARIBAS alone embodies the banking hyper-structure's power in the global economy. In a thrilling documentary, Xavier Harel and Thomas Lafarge relies on numerous testimonies from BNP's former employees and from high profiled political and economic actors to trace the history of Europe's most powerful bank.
